## Youth Information

Youth basketball is starting here in Madison. All registration information is included in the email. If you need more information, contact Coach McFarland.

For the Madison Elite program, there will be two teams per grade level depending on the number of boys trying out. This year, we are trying something a little different to maybe enable additional players to play or make it a little more enjoyable for all families. The program is having the players choose which team they want to try out for this year.

The Red Team will be playing in the Dirt Road Basketball League and Midwest Youth Tournaments again, and it involves more travel against better competition. The White Team will play in a local league with less travel. They play a little lesser competition, and play less games. This may fit in some families' schedules that can't play on the Red Team.

If a player chooses to try out for the Red Team, and does not make it, then he will play on the White just like last year. If players do not make either team, they will be playing in the Junior Cubs (4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup> Grades) or Cubs Basic (3<sup>rd</sup> Grade) Divisions.
